Cellular Telephone Protection

Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An involuntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S. issued card enrolled in the Cellular Telephone Protection benefit and You charge Your monthly cellular wireless phone bills to Your eligible card for the billing cycle before the month in which the incident occurs. Coverage applies to Your

primary cell phone line and up to the first two (2) secondary, additional or supplemental lines. Eligible lines are determined by the order in which the lines were activated by the cellular wireless provider.

What is covered?

This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (for example; cell phone insurance programs, or Your homeowner's, renter's, automobile, or employer's insurance policies).

If You **do** have personal insurance that covers theft, damage or involuntary and accidental parting for Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You **do not** have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting for Your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage up to \$200.00 per claim with a maximum of two (2) claims and \$400.00 per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, You will receive the replacement value subject to the fifty-dollar (\$50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cellular wireless service provider's suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar (\$50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?

Cellular Telephone Protection applies when You make Your monthly cellular wireless phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill.

If You fail to make a cellular wireless phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.

If Your cell phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

What is not covered?

This benefit will not provide reimbursement for the following:

- Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
- Cell phones purchased for resale, professional, or commercial use
- Cell phones that are lost or “mysteriously disappear,” meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
- Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service)
- Cell phones stolen from baggage unless hand-carried and under Your personal supervision, or under supervision of Your traveling companion
- Cell phones which have been rented, borrowed or are part of pre-paid or “pay as you go” type plans
- Cosmetic damage to the cell phone or damage that does not impact the cell phone’s capabilities and functionalities
- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cellular wireless service provider

If the cell phone is damaged, do not discard it until the claim has been fully reviewed.

How will I be reimbursed?

Depending on the nature and circumstances of Your claim, the Benefit Administrator may choose to repair or replace Your cell phone or reimburse You for the lesser of:

- a) Up to \$200.00 after the fifty-dollar (\$50.00) deductible has been applied to the replacement or repair cost; or
- b) The current cellular wireless service provider's suggested retail value of a similar model replacement cell phone, or the actual cost to replace it, whichever is lower (not including taxes, delivery and

transportation charges or fees associated with the cellular wireless service provider), less Your fifty-dollar (\$50.00) deductible.

- c) If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone less Your fifty dollar (\$50.00) deductible.

Have You ever been waiting for Your Checked Luggage to come around the belt only to find that it has been lost by Your airline?

Fortunately, Lost Luggage Reimbursement is here to help. With Lost Luggage Reimbursement, You can be reimbursed for the difference between the “value of the amount claimed” and the Common Carrier’s payment up to **one thousand two hundred and fifty dollars (\$1,250.00)** per Covered Trip, provided the Checked Luggage and/or its contents was lost due to theft or misdirection by the Common Carrier. “Value of the amount claimed” is the lesser of the following three amounts: the original purchase price of the item(s), the actual cash

value of the item(s) at the time of theft or misdirection (with appropriate deduction for depreciation), and the cost to replace the item(s).

You and Your Immediate Family Members are all eligible for this benefit when You take a Covered Trip and pay for the cost of Your Common Carrier tickets with Your eligible card issued in the United States and/or rewards program associated with Your covered Account. To be eligible for coverage, You must purchase a portion or the entire cost of the Covered Trip with Your covered Account and/or rewards program associated with Your covered Account. Only Your Checked Luggage and/or its contents are covered.

This benefit is supplemental to and excess of any collectible insurance and/or collectible reimbursement from any other source. The Benefit Administrator will refund the excess amount once all other reimbursement has been exhausted up to the limit of liability.

Please Note: You must take all reasonable means to protect, save and/or recover Your Checked Luggage and/or its contents at all times.
