Your eligibility is determined by Your financial institution.

Cellular Telephone Protection

Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An involuntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S. issued card enrolled in the Cellular Telephone Protection benefit and You charge Your monthly cellular wireless phone bills to Your eligible card for the billing cycle before the month in which the incident occurs. Coverage applies to Your primary cell phone line and up to the first two (2) secondary, additional or supplemental lines. Eligible lines are determined by the order in which the lines were activated by the cellular wireless provider.

What is covered?

This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (for example; cell phone insurance programs, or Your homeowner's, renter's, automobile, or employer's insurance policies).

If You **do** have personal insurance that covers theft, damage or involuntary and accidental parting for Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You **do not** have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting for Your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage up to \$200.00 per claim with a maximum of two (2) claims and \$400.00 per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the

device, You will receive the replacement value subject to the fifty-dollar (\$50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cellular wireless service provider's suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar (\$50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?

Cellular Telephone Protection applies when You make Your monthly cellular wireless phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill.

If You fail to make a cellular wireless phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.

If Your cell phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

What is not covered?

This benefit will not provide reimbursement for the following:

- Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
- Cell phones purchased for resale, professional, or commercial use
- Cell phones that are lost or "mysteriously disappear," meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
- Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service)
- Cell phones stolen from baggage unless hand-carried and under Your personal supervision, or under supervision of Your traveling companion
- Cell phones which have been rented, borrowed or are part of pre-paid or "pay as you go" type plans
- Cosmetic damage to the cell phone or damage that does not impact the cell phone's capabilities and functionalities

- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cellular wireless service provider

If the cell phone is damaged, do not discard it until the claim has been fully reviewed.

How will I be reimbursed?

Depending on the nature and circumstances of Your claim, the Benefit Administrator may choose to repair or replace Your cell phone or reimburse You for the lesser of:

- a) Up to \$200.00 after the fifty-dollar (\$50.00) deductible has been applied to the replacement or repair cost; or
- b) The current cellular wireless service provider's suggested retail value of a similar model replacement cell phone, or the actual cost to replace it, whichever is lower (not including taxes, delivery and transportation charges or fees associated with the cellular wireless service provider), less Your fifty-dollar (\$50.00) deductible.
- c) If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone less Your fifty dollar (\$50.00) deductible.

Under normal circumstances, reimbursement will take place within ten (10) business days of receipt and approval of Your claim form and all necessary documents.

Filing a Purchase Security claim

Call the Benefit Administrator at 1-800-848-1943 within sixty (60) days of the damage or theft **(if You wait longer, coverage may be denied)**. The Benefit Administrator will ask for some preliminary claim information, answer Your questions and send You a claim form. When You submit Your claim, be sure to include all information regarding Your claim including the time, place, cause and the amount to either replace or repair the item.

If You have insurance (homeowner's, renter's, car, employer or any other), You are required to file a claim with Your insurance company and to submit a copy of any claim settlement from Your insurance company along with Your claim form. Purchase Security provides coverage on an "excess" coverage basis, meaning it does not duplicate coverage, but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner's, renter's, automobile, or employer's insurance policies) has been exhausted. At that point, Purchase Security will cover the loss up to the amount charged to Your eligible Account, subject to the terms, exclusions, and limits of liability of the benefit.

This benefit also pays for the outstanding deductible portion of Your insurance or indemnity for eligible claims. The maximum total limit of liability is up to ten thousand dollars (\$10,000.00) per claim occurrence and fifty thousand dollars (\$50,000.00) per cardholder. You will receive no more than the purchase price as recorded on the eligible card receipt.

When a protected item is part of a pair or set, You will receive no more than the value (as described above) of the particular part or parts, stolen or damaged, regardless of any special value that item may have as part of such a pair or set, and no more than the proportionate part of an aggregate purchase price of such pair or set.

Gift recipients may file their own claims, if they have the necessary substantiating documents.

Please submit the following documents:

- Your signed and completed claim form
- A copy of Your monthly billing statement (showing the last four [4] digits of the Account number) demonstrating that the purchase was made on Your eligible Account and/or rewards programs associated with Your covered Account
- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points or any other payment method utilized
- A copy of the itemized store receipt demonstrating that the purchase was made on Your eligible Account and/or rewards programs associated with Your covered Account
- Copy of the documentation of any other settlement of the loss (if applicable)
- If the item is repairable, the estimate of repair OR a copy of the paid receipt/invoice for the repairs, indicating the type of damage to the claimed item (if applicable)
- A copy of a police report (in the case of theft), fire report, or other incident report **made within forty-eight [48] hours or as soon as reasonably possible of the occurrence.** All losses must be substantiated. If the loss was not reported, please contact the Benefit Administrator to determine if there may be other documentation that can be provided to determine your eligibility for Purchase Protection
- Any other documents necessary to substantiate Your claim

In some cases of damage, You will be asked to send, **at Your expense**, the damaged item along with Your claim in order to substantiate the claim, so make sure to keep the damaged item in Your possession.

PLEASE NOTE: Your maximum recovery under the Purchase Security Benefit is the purchase price of the item, not to exceed the coverage limit.

Please return Your signed and completed form with all documentation within ninety (90) days of the date of theft or damage.

How will I be reimbursed?

Once You've met the conditions of this benefit, the Benefit Administrator will resolve Your claim in one of two ways:

- A damaged item may be repaired, rebuilt, or replaced, while a stolen item will be replaced. Typically, You will receive notice

about this decision within fifteen (15) days upon receipt of Your claim documentation.

- You may receive payment to replace Your item, an amount not more than the original purchase price, less shipping and handling charges, up to ten thousand dollars (\$10,000.00) per claim and fifty thousand dollars (\$50,000.00) per cardholder. You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less. Under normal circumstances, reimbursement will take place within five (5) business days.

Extended Warranty Protection

Product warranties can be inconvenient and cumbersome to use.

Let's say You purchased a great gadget about a year ago, but it just stopped working, and You can't find Your sales receipt and warranty information. For all too common situations like these, Extended Warranty Protection can help.

Extended Warranty Protection provides You with valuable features that help You manage, use and extend the warranties for eligible items purchased on Your covered Account and/or rewards programs associated with Your covered Account. Services include Warranty Registration and Extended Protection. You are eligible for this benefit if You are a cardholder of an eligible card issued in the United States and You purchase either a portion or the entire cost of the item using Your Account and/or rewards program associated with Your covered Account.

Here's how Warranty Registration works

When You purchase an eligible item that carries a manufacturer's warranty, You can register Your purchase by calling **1-800-848-1943**.

The Benefit Administrator will tell You where to send Your item's sales receipt and warranty information, so they can be kept on file should You need them.

If You choose **not** to register Your item, be sure to keep Your monthly billing statement reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty and any additional warranty in a safe place. These documents will be required to verify Your claim.

Here's how Extended Protection works

Your warranty coverage can be doubled up to one (1) additional year on eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional three (3) months of coverage for a combined total of six

(6) months of coverage, and a warranty for six (6) months would be provided with an additional six (6) months of coverage for a combined total of twelve (12) months of coverage. However, if the manufacturer's warranty is for three (3) years, it would only be extended one (1) additional year.

This benefit is limited to no more than the original price of the purchased item (as shown on Your

credit card receipt), less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and fifty thousand dollars (\$50,000.00) per cardholder.

The benefit covers purchases made both inside and outside the U.S. The eligible item must have a valid original manufacturer's U.S. repair warranty of three (3) years or less, store-purchased dealer warranty, or an assembler warranty.

What Extended Protection does *not* cover

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle
- Any costs other than those specifically covered under the terms of the original manufacturer's written U.S. repair warranty, as supplied by the original manufacturer, or other eligible warranty
- Items purchased for resale, professional, or commercial use
- Real estate and items which are intended to become part of real estate including, but not limited to, items that are hard-wired or hard-plumbed, garage doors, garage door openers, and ceiling fans
- Rented or leased items
- Computer software
- Medical equipment
- Used or pre-owned items (Refurbished items will be covered as long as it has a warranty with it and would not be considered used or pre-owned)

Filing an Extended Protection claim

To file a claim, call the Benefit Administrator at **1-800-848-1943** immediately after the failure of Your covered item. **Please note that if You do not notify the Benefit Administrator within sixty (60) days of product failure, Your claim may be denied.**

The Benefit Administrator will request preliminary claim information, direct You to the appropriate repair facility, and send You the claim form. Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.

If You received or purchased a service contract or an extended warranty when You purchased Your item, this benefit will be supplemental to, and in excess of, that coverage.

What You must submit to file a claim

Fill out and sign the claim form the Benefit Administrator sent You, then submit the form **within ninety (90) days** of the product failure, along with the following documents:

- A copy of Your monthly billing statement (showing the last four [4] digits of the Account number) demonstrating that the purchase was made on Your eligible Account and/or rewards program associated with Your covered Account
- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points or any other payment method utilized
- A copy of the itemized sales receipt
- A copy of the original manufacturer's written U.S. warranty, and any other applicable warranty
- A description of the item and its serial number, and any other documentation deemed necessary to substantiate Your claim (this includes bills and, if necessary, a copy of the maintenance record and receipts)
- The original repair estimate or repair bill, indicating cause of failure

Any other documentation deemed necessary by the Benefit Administrator to substantiate the claim

All claims must be fully substantiated.

How will I be reimbursed?

If You have substantiated Your claim and met the terms and conditions of the benefit, Your item will be replaced or repaired **at the Benefit Administrator's discretion**, but for no more than the original purchase price of the covered item, as recorded on Your credit card receipt, less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and a maximum of fifty thousand dollars (\$50,000.00) per cardholder. **You will only be reimbursed up to the amount charged to Your Account or the program limit**, whichever is less. Under normal circumstances, reimbursement will occur within five (5) business days of the receipt and approval of all required documents.

If Your item is to be repaired, or You may go to an authorized repair facility and file a claim for reimbursement. Only valid and reasonable

repairs made at the manufacturer's authorized repair facility are covered.

In either case, the Benefit Administrator's payment, replacement, or repair made in good faith will fulfill the obligation under this benefit.
